

Congratulations on your SteamSpa steambath generator purchase. Please read and follow all installation, operating, and probe maintenance information thoroughly. SteamSpa recommends that licensed plumbers and electricians perform all installations.

**S-SERIES:** This limited warranty is for a period of six (6) years from the date of purchase, against defects in materials and workmanship.

**D-SERIES:** This limited warranty is a lifetime warranty when purchased with our filter. If repair or replacement of defective parts cannot be made by an authorized SteamSpa agent, on the premises, the cost of removal and installation of the steam unit is not covered by this limited warranty. Factory labor and transportation charges incurred to repair or replace defective parts at the factory will be covered under this limited warranty as follows:

Limited warranty to be voided and SteamSpa will assume no liability for the lack of maintenance of the probe as required, calcium, hard water damage, improper installation, abuse, misuse, alteration, accidents or acts of GOD, intentional reckless or negligent acts of any person, or repairs or attempt thereof by any firm or person other than SteamSpa, or its authorized agent, loss of use, incidental or consequential damages or any other cost or expense incurred.

No other company or person has any authority to make any warranties or representations concerning SteamSpa or its product. Therefore, SteamSpa is not responsible for any such warranties or representations. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so this limitation and exclusion may not apply to you. This limited warranty gives the customer specific legal rights; you may also have other rights, which vary from state to state.
